

OPEN BIDS FOR NEW HI SCHOOL AT TOMBSTONE

J. M. Sparks, Douglas Contractor Offers to Construct Building For \$72,380

TOMBSTONE, Aug. 7.—Bids for the construction of the Tombstone Union High School were opened this afternoon by the board of trustees, and up to a late hour this afternoon award of contract had not been made, although J. M. Sparks, contractor of Douglas, was the lowest bidder by a margin of over \$8,000. Sparks bid was for \$72,380 and covered both construction and plumbing and heating.

About fifteen contractors from all parts of the county and state were present when bids were opened today, the highest being in the neighborhood of \$85,000 for both plumbing and heating. A number of plumbing bids were received separate from construction bids and after considerable discussion the board decided to reject all bids with the exception of Sparks bid, which was held for further consideration, the board's decision to be announced probably tomorrow. The matter of selection of a site will also be definitely decided by the board when the contracts are let.

County Budget to Be Discussed For Last Time Today

TOMBSTONE, Aug. 7.—The board of supervisors, Chairman J. B. Hart, and Members L. C. E. Adams and D. A. Adams, were in session today considering mostly road matters during the morning session, a number of delegations from various parts of the county having been heard.

Most of the day, however, was occupied in the consideration of claims against the county, due to the fact that tomorrow when the hearing on the final adoption of the county budget will be heard it is expected the whole day will be occupied. The board will probably work at a night session tonight in order to complete auditing of demands and dispose of work that the budget hearing will not be interrupted tomorrow.

YOUNG MOTHER NOW STRONG

Her Mother's Faith in Lydia E. Pinkham's Vegetable Compound Led Her To Try It

Kenosha, Wisconsin.—"I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound. My mother had great faith in it as she had taken so much of it and when I had trouble after my baby was born she gave it to me. It helped me so much more than anything else had done that I advise all women with female trouble to give it a fair trial and I am sure they will feel as I do about it.—Mrs. FRED. P. HANSEN, 662 Symmonds St., Kenosha, Wisconsin.

A medicine that has been in use nearly fifty years and that receives the praise and commendation of mothers and grandmothers is worth your consideration. If you are suffering from troubles that sometimes follow child-birth bear in mind that Lydia E. Pinkham's Vegetable Compound is a woman's medicine. It is especially adapted to correct such troubles.

The letters we publish ought to convince you; ask some of your women friends or neighbors—they know its worth. You will, too, if you give it a fair trial.

TROUBLED WITH ITCHY PIMPLES

And Blotches. Lost Rest.
Cuticura Healed.

"I was troubled with pimples and blotches on my face. The pimples were hard and red and quite large. They were scattered over my face and itched and burned so that I scratched and rubbed them. At night I lost my rest on account of the irritation. I began using Cuticura Soap and Ointment and in a short time could see an improvement. I purchased more, which completely healed me in about a month." (Signed) Mrs. Rachel Riley, Kendrick, Idaho, Feb. 15, 1922.

The crown represents what line of athletic endeavor, you ask? Why, oh, yes—NUMBLE-PEG.

Most Severe Storm of Year Drenches Bisbee Yesterday

The Warren District was yesterday afternoon and last night drenched by the most severe storm of the year. Official figures were not available last night, but it was estimated that better than an inch of rain fell during the afternoon.

The electrical display was unusually spectacular, and lightning struck in several places on the hills around the city. One bolt split the air over the business district, seemingly missing several buildings by but a few yards.

The storm was general throughout the district, but was heaviest over the business section of the district. The section of business, two heavy clouds joining forces and flooding the streets for half an hour. Some debris was washed down Brewery Gulch and some into Naco Road from Chihuahua Hill. All lights and electric power in the district suffered several times, but there was no other damage reported.

Tombstone, Douglas, Don Luis, Osborne, Naco and other nearby towns shared the storm with Bisbee.

WOMAN IS ARRESTED ON CHARGE OF VIOLATING HARRISON ACT; OFFICERS SEIZE DRUGS IN RAID

Mrs. Nellie Burns, arrested yesterday at Lowell by Constable Henry H. Bohmfalk and Deputy Sheriff Fred Kinney for alleged violation of the Harrison federal anti-narcotics law, will, unless it is waived by the counsel for the defense, be given a preliminary hearing before United States Commissioner James Allison this afternoon.

Mrs. Burns, arrested at her home yesterday morning, is charged with having in her possession a quantity of morphine and 50 1/4-grain tablets of kahdeen. The officers also charge that two bottles, evidently emptied within the past three or four days and of sufficient capacity to have contained at least \$2,000 worth of drugs, were found in the search they instituted.

It is believed by the customs officials at Naco that the consignment was brought across the line from Mexico and that Mrs. Burns is only one of many engaged in this illicit traffic in the Warren District. With this opinion seemingly substantiated by an investigation now being conducted, the city, county, state and federal authorities are going to go over the district in fine-comb fashion.

It is also thought by them that with a very short time they will have rounded up the higher-ups, those who control the "dope ring," which is said to extend from Mazatlan, Guaymas and other points on the west coast of Mexico to all corners of the United States.

Mrs. Burns was transferred from the Lowell jail to the cell in the justice court building in this city last evening.

IS SHE THE PRETTIEST GIRL IN ALL BISBEE?

Another Anonymous Candidate

The above attractive portrait has been submitted in the stirring contest for the hand and heart of the Prince of Wales. It was sent to the Contest Editor with a letter reading as follows:

"If you are looking for a girl the prince could not refuse—or rather for one to whom he would instantly offer his jeweled crown, here she is. Every free young man, and some not so young in a certain downtown of

rice building, already has offered to make her happy for life. But she insists that she already is happy—and she seems to be—and apparently nobody can do anything for her in that respect. Maybe a real prince would interest her; I don't know.

"All I know is that she is the prettiest and most likeable young lady in this man's town, as every one of the scores of unsuccessful young and old admirers who will recognize her

Baby Near Death From Swallowing Bichloride Mercury

Advice received from the Copper Queen hospital late last night were to the effect that but very little hope is entertained for the recovery of the 16-months-old son of John F. Berryhill, of Warren, efficiency engineer of the Copper Queen mines. The child yesterday swallowed nearly all of a one-grain tablet of bichloride of mercury, a bottle of which was knocked from a shelf by the older children, who were playing about the room.

The boy was rushed to the hospital at once and everything possible was done by Dr. C. H.

picture, will testify. Personally, I hope she turns His Royal Highness down. He'd be in good company, if she did.

"ONE OF THE COMPANY" HED BE IN."

Emil Ganz, Pioneer Arizona Resident, Dies in San Diego

Emil Ganz, former mayor of Phoenix and pioneer resident of Arizona, died in San Diego, Calif., on Sunday after an illness of but three days, according to word received here yesterday. Ganz was 85 years of age.

Ganz, a native of Germany, first came to this state in 1876. He had resided in Phoenix since 1879 until a few years ago, when he and Mrs. Ganz left for frequent long trips on the west and northwest coast. Ganz was formerly president of the National Bank of Arizona. Upon retiring from that office he became chairman of the board of directors, holding this position until his death. He was mayor of Phoenix for three terms. Ganz was well known to scores of Bisbee residents.

Hunt and the attendants, but his condition is so serious that recovery is very seriously doubted.
